From time to time, photos will be taken of students, student activities, etc. The Berlin Area Robot Greeks VEX Team (The Organization) or school reserves the right to use these photos for news releases, the Organization's website, the yearbook, Organization or school-related video and slide presentations, or marketing purposes, etc.

The Organization or school will allow members of the media to take pictures of students, or robotics activities for publication. At times AT THE DISCRETION OF THE ORGANIZATION or school, photographers may take photos for resale and make them available to students and parents.

The Organization feels that these are legitimate opportunities for students to be in the "lime light" and also to promote the Organization and the school.
