

# Berlin Area Robot Greeks VEX Robotics Team 2017-18 Season

## Student Contract

The Berlin Area Robot Greeks Administration believes participation in Robotics is a privilege. Students in grades 7-12 wishing to take advantage of the opportunities presented to them by the Berlin Area Robot Greeks VEX Robotics Team MUST show a commitment to these activities by regular attendance at build meetings and the competitions as well as conformity to the rules established by the School and the Coaches or Mentors. The privilege of participating requires that each student who participates in Robotics will participate in and pass required training on using power and hand tools safely. (If you do not pass with 100% you will NOT be allowed to participate in VEX), pay the registration fees, maintain a C+ average or better during the season, read the following rules, and sign and return this form to the Coach prior to participation.

### Rules:

Team members will:

- Act with “gracious professionalism” towards the Coaches, Mentors, fellow team members, and fellow competitors.
- Sign in at every build meeting. No one may sign in for anyone else.
- Not be allowed to dismantle their own or other teams’ robots for their own use.
- Not be allowed to take the robot or any parts home.
- Handle robot components with CARE
- Clear the shared workspace and re-sort pieces after each build meeting.
- Adhere to ALL lab safety rules and wear goggles while cutting metal.
- Refrain from profanity, obscenity, and abusive language
- Follow the district Co-curricular code

### Conduct at Meetings/Disqualification:

- Breaking the rules above will result in disqualification from the team. Any student disqualified during the Robotics build season for lack of compliance with the rules above will not be allowed to participate in remaining build meetings and competitions.

**Student Agreement:** I have read the Berlin Area Robot Greeks VEX Robotics Team rules and agree to abide by them or accept the consequences.
